

Writing Closing Sentences

The next skill that is key to writing strong paragraphs is the creation of **closing sentences**. This can be challenging because you are wrapping up the paragraph, explaining to your reader that they learned something and ending it.

What

1. Those are some interesting facts about (topic).
2. (Topic) is/are very interesting things.

Why

1. Those are many of the reasons why (topic) is so important.
2. Aren't you glad that (topic) is in our world?

How

1. Now that you know how to use/make (topic) you should go try it yourself!
2. Isn't it fun to learn how (topic) works?
