

Root Words Station Directions

This station will help you become a better reader by helping you understand the meaning of higher level words. By following these steps everyday, you will know over 50 Greek and Latin roots that will make your 4th, 5th, and 6th grade life much easier.

Time Frame

5 -10 minutes

Directions:

1. Grab a Root Word Template and return to your seat.
2. Click on the link to either Greek Roots or Latin Roots 1 or 2.
3. Find ONE root that you would like to explore.
4. Write the meaning in the top box.
5. Write the meaning in your own words on the line.
6. Write down the sample words it gives you and look up at least 2 more words that use that root.
7. Draw a picture that best describes your Root Word.
8. When you are finished, share your root with your partner and put it in your binder.
